**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a longtime residential user. For years I suffered from price gouging and under performing internet service from ATT, Cox Cable, Verizon in non-competitive environments.

I have every expectation that if you limit competition - each and every consumer will suffer from continued price gouging and poor service. Please, please - do not limit competition for ISP.

Sincerely,

William Bowles
